Dear Mr. Tom Pas,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-358-WS - Verified Application of Carolina Water Service, Incorporated for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of Blue Granite Water company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Object strongly against the requested rate increase and object totally against granting Blue Grante Water to be granted an Automatic Rate Adjustment. Blue Granite has not acted in the interest of it's customers in the Lake Wylie Area. By putting up a water ban for the Lake Wylie Area it wipes out thousands of dollars of investment its customers have put into their gardens, yards and beautification of their property and therefor decreasing the value of their property. Blue Water needs to get their act together and not punish its customers who do not get the water for free but pay for the water service.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
